**W**elcome to the SpiriTrust Lutheran® family of senior living communities. For more than five decades, we've focused on exceeding expectations with an outstanding collection of quality homes, services and amenities with a continuum that includes residential living, assisted living, assisted living with memory support care, personal care, and skilled care as well as short-term rehabilitation and home care.

Today, our tradition of excellence continues helping individuals experience the joy and freedom of maintenance-free retirement living. Whether you're looking to gain more time for what matters most or some added peace of mind, one of our six villages can provide you with the perfect solution.

## Residential Living

Residential living at a SpiriTrust Lutheran community offers an attractive range of choices well-suited for an active, maintenance-free lifestyle. Whether you desire to live close to everything or a step back from it, our six distinctive, pet-friendly villages boast in-town settings and countryside locales with close proximity to many cultural, historical, leisure and entertainment venues.

Each of our residential neighborhoods features spacious cottages, and four of the six offer apartment residences as well. With a variety of floor plans available, every home has its own unique character and our Decorator Dollars program allows you to further personalize your new home.

Campus amenities and services reflect the interests of residents and may vary from community to community. Typical amenities include a cafe, dining room, billiards room, library, walking trails, gardening plots and more. An abundance of services are always within reach, including: optional dining services, fitness and wellness programs, resident enrichment programs, scheduled local transportation, housekeeping, and a wellness nurse. With a variety of entrance fee plans, retirement living at one our villages may be more affordable than you think.

## Assisted Living

If you desire apartment-style living enhanced with a selection of services, the assisted living residence at The Village at Sprengle Drive is right for you. Our complete array of amenities, services and community life programs encourages achievement and well-being and provides everything you need for a comfortable and independent lifestyle.

Within the assisted living neighborhood, there are one-bedroom and studio floor plans, with features including a tea kitchen with microwave and refrigerator and a full bath with European shower. Outside your personal residence there are additional areas for socializing including a country kitchen, dining area, great room with fireplace, library and hobby center. Residents take pleasure in the vibrant social life that includes clubs, leisure and fitness programs, and excursions.

A variety of services are available, including assistance with activities of daily living, meal preparation, transportation and housekeeping as well as many skilled care services to enable you to age in place and remain in your assisted living apartment.

## Memory Support Care

Assisted living with memory support care at The Village at Sprengle Drive is a specialized neighborhood for people with Alzheimer's disease and diminished cognitive abilities.

Our relationship-based approach to care uses validation and reminiscing as central themes in restoring self-respect, self-esteem and spirit. We work toward building positive relationships among residents, families, caregivers, physicians and the community through individualized care in a nurturing, calm environment.

The neighborhood provides a secure, homelike environment in two households of 12 private suites each. The programs support each resident's current capabilities while adding advantages such as personalized assistance, continuity of companionship 24-hours a day, around-the-clock medical support and emergency response, and the reassurance of safe community living.

## Skilled Care & Short-Term Rehabilitation

The SpiriTrust Lutheran skilled care centers have a long-standing tradition of caring and providing specialized health care services to seniors. Working closely with each individual's physician, our interdisciplinary team delivers coordinated traditional skilled nursing and post-acute care. Our skilled care centers offer an array of amenities and services, including: private and shared accommodations, activities programs, restaurant-style dining, fitness and wellness programs, comfortable lounges, outdoor areas, pet therapy, housekeeping, laundry services, and much more.

Whether it is joint replacement or orthopedic, pulmonary, cardiac or other treatments associated with medical complexities, short-term rehabilitation at a SpiriTrust Lutheran skilled care center offers an extensive array of services. This allows individuals to receive all of their care in one location, assisting in a faster recovery. Short-term rehabilitation—from physical, speech and occupational therapy to restorative nursing and wound care—is offered in partnership with Flagship Rehabilitation.

## Personal Care

When you or a loved one requires personalized assistance, our personal care residences provide a caring environment and the perfect combination of assistance and security. Each personal care residence provides the comforts of home, including: private and semi-private suites, intimate dining rooms, activity lounges, outdoor recreation areas and much more. Our focus is on person-centered care, which gives meaning and purpose to residents' lives. Residents spend each day as they please.

The personal care team provides varying levels of assistance and other services such as housekeeping, scheduled local transportation, wellness programs, and life enrichment programs to meet residents' unique and changing needs. Respite care services are available as well for short-term stays.
